- Highest resistance against environmental influences

## LED REVERSING LIGHT

- Fully ECE compliant reverse light function (R23)
- Plug & play installation for whole RIVAL bumper range
- Increased road safety due to higher visibility with color temperature up to 6000K
- Compact and robust: Unbreakable polycarbonate lens to endure heavy duty application, over and under voltage protection
- OSRAM high performance LED's
- Highest resistance against environmental influences

# ALUMINUM REAR BUMPERS

Far off the beaten track, there are endless possibilities, how vehicles can come in contact with ground or rocks.

15

Powder-coated and corrosion-resistant RIVAL Rear Bumper will stand up to damage and offer you a high level of bodywork protection while you explore new trails. Reinforced recovery points with 3.5-ton capacity will help you get back on track whenever you get a bit carried away. And with easy and quick installation on existing fitting points, you will be ready for your next journey in no time.

- 4 mm thick aluminum bumper, powder coated and corrosion resistant
- Easy installation using existing fitting points (without drilling)
- Reinforced towing shackles with 3.5 ton towing capacity
- Optional lighting shown
- Tow bar compatible
- Anti-slip tread

# ALUMINUM UNDERBODY ARMOR

Easy installation onto OE fitting points. No drilling or modification required

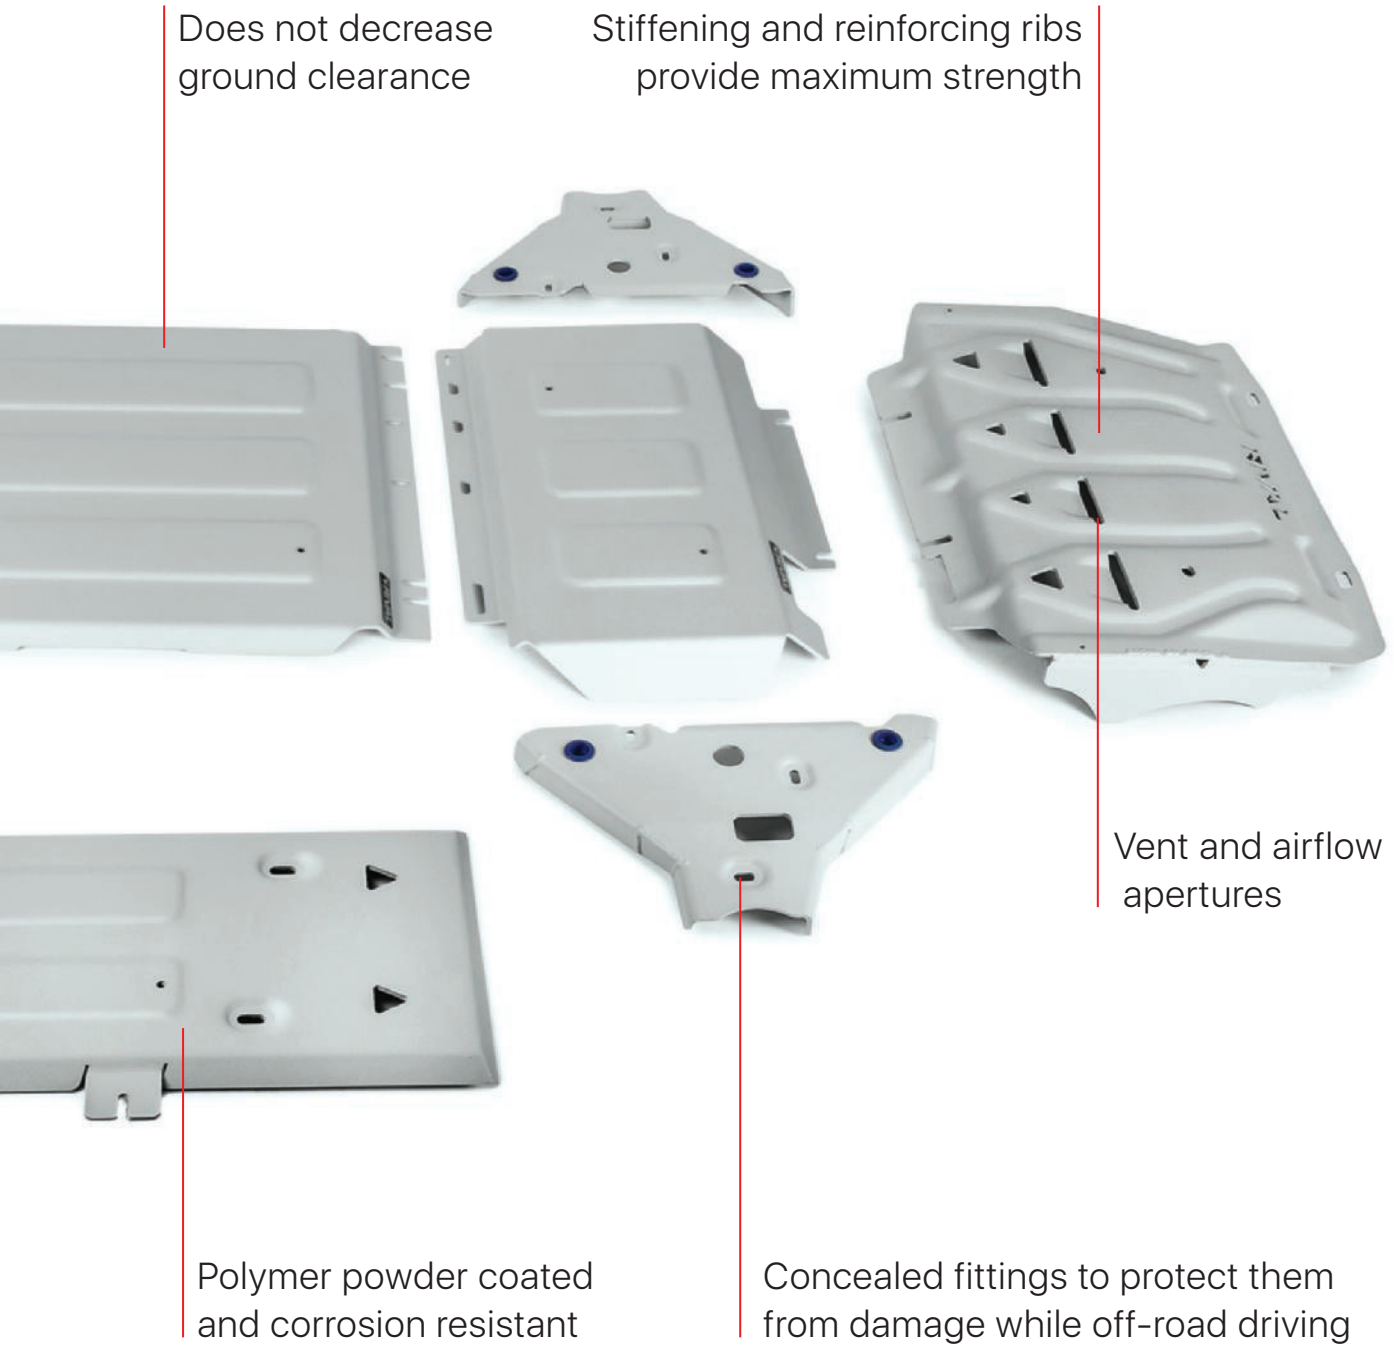

Constructed using  
6 or 4 mm aluminum

Drain holes for water  
and dirt drainage

Shown skid plate set example includes:

Radiator, engine, gearbox, transfer case, fuel tank,  
tank Adblue, front arms, differential

On off-road adventures, you might have to wheel in mud or sand or drive on rocky terrains. In these situations, a skid plate may be a lifesaver.

High-quality laser-cut RIVAL skid plates are a perfect solution to protect the underbody of your vehicle from rocks, logs, and scrapes.

Made of lightweight deep stamped aluminium alloy or steel and combined with no-drill installation RIVAL skid plates offer extreme strength, durability, and high clearance solution for your roughest terrain adventure.

## RIVAL BRACKETS SET FOR ROOF RACK FOR ALUMINUM CANOPY

# TAILGATE SYSTEM

RIVAL tailgate assist kits will increase convenience during the opening of the tailgate and prevent it from jolting. No-drill installation onto OE fitting points can be done in less than an hour even if you are not an experienced mechanic yourself. OEM quality brackets and Stabilus dynamic struts ensure a smooth opening process and freehand operation.
